Dear Neighbor:

The Saratoga Springs Housing Authority (SSHA) has been working on plans to develop new workforce housing on land it owns surrounding Stonequist Apartments. As a neighboring property owner, we would like to invite you to an informational meeting on **March 6<sup>th</sup> at 6pm at the Embassy Suites – Congress room.**

The meeting will include a brief presentation on the preliminary plans and SSHA's development team will be on hand to answer questions on the proposed development. If you are not able to come, a link will be posted on the SSHA web site after the meeting where plans can be viewed. The SSHA web address is: [www.saratogaspringspha.org](http://www.saratogaspringspha.org)

Additionally, there will a public hearing in the future as the project goes through the New York's State Environmental Quality Review Act (SEQR) process which requires all state and local government agencies to consider environmental impacts. Again, as a neighboring property owner we will send you a notice of such hearing.

Sincerely,

Paul Feldman
